**90** DAY  
Trial Appliance

## The First Step to a better night's sleep.

Introducing **EMA First Step**, the new 90 day trial appliance from Myerson for the treatment of snoring and obstructive sleep apnea (OSA). The **EMA First Step** is the perfect way for patients to discover how they can get a better night's sleep. Dentists can make this custom fit oral appliance in their office or have **Modern Dental Laboratory USA** make it for them.

If an overnight sleep study confirms successful treatment with an **EMA First Step**, the dentist can schedule their patient to receive an **EMA** custom lab-fabricated final appliance that will last for years.

**EMA First Step** is available through:
